In mediation information provided by each person is shared with you both. Please do not send any information or documents in with this form that cannot be referred to in discussions with you both. The only exception would be an address or telephone number that you wish to be kept confidential.

We will be in contact with you to organise the first intake meeting, where we will explain the process, cost and answer queries. We may be able to start the process at that meeting, but generally we can use it to help start setting your priorities for future meetings
